To inquire about specialized services for your child with a hearing difference, or if you are interested in early support services, outreach services, or attending any of Hand-N-Hand playgroups, classes or networking opportunities

contact Jenny Geiken 920.737.0477 jlgeiken@hnhnew.org

Hand-N-Hand provides support and facilitates resources for families with children experiencing hearing loss. As a family & community resource, Hand-N-Hand fosters relationships, promotes language, early literacy, and social & emotional development for children who are deaf and hard of hearing and their families.

Hand-N-Hand also supports Providers and helps families identify and access services throughout Wisconsin.

"Hand-N-Hand has given us so many opportunities to surround us with others and information to educate us in an area we knew very little about. We are excited for our future and Hand-N-Hand is a big part in our journey."

Educational Programs

DHH Playgroups

A natural environment where deaf and hard of hearing infants, toddlers and their families have full access to communication through visual and auditory communication systems.

Parent and Community Education

Discover a broad range of perspectives on hearing differences and related topics, learn sign language and learn about Deaf culture, and music & movement.

Early Support Services

Specialized Early Intervention and therapy services, consultations, family and community education.

Parent-N-Parent Networking

Opportunities empowering families with young deaf and hard of hearing children.

Outreach & Support

Community Outings

Building capacity & connections in our community while raising awareness of hearing differences. Excursions to socialize with others who have children with similar needs & the D/HH community.

Lending Library

Stocked with sign language books & dictionaries, computer programs, videos & DVDs, assessment tools & reference materials.

Scholarships

Supporting families with hearing related events.
