Deaf & Hard of Hearing (DHH) Playgroup

Mondays, January 25 – May 17, 2021; 6:00-7:30_{pm}

Jenny Geiken, Deaf Educator & Early Intervention Consultant

Connecting children, families and communities through play!

DHH Playgroups offer children ages birth to five who are deaf and hard of hearing, their parents, families, and caregivers the opportunity to have fun and learn in a friendly environment that promotes language, early literacy, and social & emotional development. While implementing a Total Communication (TC)* philosophy, DHH Playgroups welcome everyone to participate in play, songs, arts & crafts, stories, and enjoy the experience of getting together!

DHH Playgroups include, circle time, free play, table activities, and group snack time. Activities are presented using sign and spoken language. This is a great time for families who are just beginning to use sign language to practice their skills. While interacting with their children, parents have the opportunity to learn about hearing loss, discover resources, and support each other through chatting with parents, professionals, and members associated with the Deaf and Hard of Hearing communities.

*DHH Playgroup is open to families who have children with a hearing difference and/or communication delays, infant to age five. Family members, including hearing siblings, are welcome. Registration is limited. **Registration required by March 29, 2021. [Click here to register!](#)***

* Total Communication (TC) is a philosophy of educating children with hearing loss that incorporates all means of communication; formal signs, natural gestures, fingerspelling, body language, listening, lipreading and speech.

Parent-N-Parent (PNP) Networking

March 25, April 20, May 18, June 24; 6:00–8:00_{pm}

Enhancing the circle of support! PARENT-N-PARENT networking empowers and stimulates the family's growth and development through connections with parents who have "been there", D/HH community members, and professionals involved in the field of deafness.

Spring II PNP meetings include a pizza social and a virtual workshop presented by MED-EL.

*Parent-N-Parent meetings are open to the community; **registration required at least one week prior to the meeting.** PNP is facilitated by a Deaf Educator. Cost: annual HNH registration requested. Interpreter services available upon request, must request at least 2 weeks in advance.*
