## HNH Fall Session Begins...

We're back in action! We are excited to fill our classrooms with happy kids and socializing families! Hand-N-Hand is fueled by the smiles, laughter & learning of those who attend. We strive to provide specialized early support, parent & community education & outreach for deaf & hard of hearing children, their families, and the community throughout Northeastern Wisconsin.

The first day of the Fall session begins Monday, September 16th! This year, we are proud to announce that we have added two new programs to our Fall roster:

### Sign-N-Play with Baby (SNP)

Wednesdays, Sept. 18 – Oct. 23; 9:30-10:30am

This is a 6-week parent & baby sign language playgroup designed for babies with hearing and those with a hearing difference. Join us and discover how to achieve basic sign communication with your baby through play!

### Parent Power Hour (PPH)

Mondays, Oct. 7, 14, Nov. 4, 11, 25, & Dec. 2;  
6:30-7:30pm PPH offers six (6) 1-hour groups facilitated by a D/HH community member who will broaden knowledge of ASL & Deaf culture through interactive teaching activities and discussions.

Please be sure to register for classes by September 9th! See our website for current programs and classes.
